1. REDUCTION IN RAYON SERVICE

General Manager Michael Kesterson requested approval for reduction in service on the Rayon Route. He explained due to low ridership numbers and MOVTA's desire to remain good purveyors of public funding, he is proposing a reduction in service from two (2) buses per hour to one (1) bus per hour. He informed members the areas currently serviced would continue to receive service at the top of every hour.

He explained that a public comment period had run from August 5, 2021, to August 19, 2021. He further explained that public comment sessions were held on August 20, 2021 from 11:00 a.m. to 12:00 p.m. in MOVTA's conference room and at the Vienna Public Library on August 20, 2021 from 2:00 p.m. to 3:00 p.m. He informed the Board no comments were received during these sessions nor were any written, emailed, or in-person at our office comments received.

All members approved the reduction in Rayon service.
